

Mr. Agnew had invited
all 3 of us - but they didn't
want to go. Louise had
just declined anyway.

I'm a few minutes
late - we are off to this church
for the morning service.
So I must close now.
I hope to get home next
Saturday or Sunday. You

will doubtless be away
for the week-end. I'm so
glad that you got to
the Lake.

Loads of love from
